

Ladybird

THE BEST
LADYBIRD GAME
IN THE WORLD

Build a tableau of Ladybird Cards over just 15 rounds, as you help your grandmother clear the aphids from the orchard and restore the garden of your childhood.

Complete Ladybird life cycles and compete for points in this cozy game of slowly escalating tension and tough decisions, as you compete for just the right colors and species, to help you score big and win the game.

Key selling points

- Great couples game, with appeal for the hobby gamer as well as their partner/family
- Loved by players who like games such as Splendor Duel, Forest Shuffle & Wingspan
- Multiple scoring paths & strong replayability
- Grounded in real research and 9 real Ladybird species
- Gorgeous Artwork & Great table presence

RELEASE DATE : OCTOBER 2026

MSRP : DKK 279,- / €39,-

"I've got to say that designers Michael Løhde Andersen and Morten Blaabjerg have really knocked this one out of the park. Countless hours of design and playtesting have honed this into a tight, clever, and thinky game with a gorgeous table presence.

Really fab game - highly recommend!"
